2023/24 Holiday Timetable

The end of the year marks a time of fun and family bonding. With the exams over, students can finally heave a sigh of relief as they look forward to the year-end holiday. Here at TEE, we believe in the importance of school-life balance, and have a special holiday schedule in place for our students.

Holiday timetable: 18 November 2023 to 1 Jan 2024

During the above-mentioned period, there will only be classes from Mondays to Saturdays. The centre will be closed on Sundays. Weekday classes will also be held at earlier timings, running from 11-1pm, and 2:30-4:30pm. There will be no study group sessions during the holiday.

FAQs:

1. Why does The Edu Experience have a holiday timetable?

We are firm believers of school-life balance for our students, and work-life balance for our staff. We believe that the year-end holiday offers everyone a chance to spend time with their friends and family, and we also advocate students taking time off to rest and recharge after a hard year's of work.

In January, when the school term starts, the timetable will revert to our academic timetable.

2. Are the fees the same during the holiday?

Our fees are the same throughout the year.

4. Will my child still get unlimited hours?

Yes, your child will still be able to book extra lessons if he or she needs more guidance.

5. Are there still study group sessions and enrichment programmes?

No, there will be no study group sessions during the holiday, but enrichment programmes will still run every Friday.

6. Are the lessons online or physical?

P1 and P2 classes are purely physical, while P3-P6 students are offered one online class per week.
